Skills

JavaScript | ReactJS | Ruby on Rails | SQL | CLI | RESTful APIs | Agile Development

Experience

LEARN Academy, San Diego, CA — Student   OCT 2018 - JAN 2019
- Formalizing a self-instructed background and expanding programming skills over 500 coding hours, utilizing contemporary practices such as pair programming and test-driven development
- Designing and constructing decoupled full-stack web applications from conception to deployment, based primarily in JavaScript and Ruby on Rails
- Developing 10+ functional web apps of various complexity in 3 months, ranging from Tic-Tac-Toe to Cat Tinder (*all available in Github portfolio*)
- Teaching Assistant at HTML/CSS/JS Jumpstart weekend for new programmers

Codecademy Intensive, Remote — Student   FEB 2018 - APR 2018
- Earned certification in *Build Front-End Web Apps from Scratch* 10-week course
- Rapidly learned ReactJS from a pure JavaScript/HTML/CSS background and developed two front-end apps including responsive design and calls to external APIs

Dartmouth-Hitchcock Medical Center, Lebanon, NH — Accounts Payable Specialist
MAY 2017 - SEP 2018
- Utilized various software (ImageNow, Oracle PeopleSoft, Excel) to generate accurate, timely payments to vendors, ensuring continued delivery of goods and services
- Reimagined and documented multiple common procedures; designed and implemented a standardized training manual for the employee reimbursement software, Concur
- Earned Six Sigma Yellow Belt certification as a member of a team focused on improving the process of Electronic Data Interchange, which shifted manual processes spanning multiple departments to an automated system

Various Small Businesses, Grinnell, IA — Dining Room/Kitchen Manager SEP 2011 - FEB 2017
- Managed personal performance and inventory processes; developed relationships with employees, distributors, and key community players to collaborate and enhance the business
- Maintained a positive attitude during periods of stress; encouraged routine maintenance and regularly initiated process improvements

Education

Grinnell College, Grinnell, IA — Bachelor's Degree (German)   SEP 2011 - MAY 2015
Study Abroad in Berlin, Germany Fall Semester 2013; Spring Break 2015
